160KPH BUMPER CAR

Get out of his fucken waaaaaaay!

WE RECKON everyone, at some stage of their life, has climbed into a bumper car pissed at a fairground somewhere and fanged it around the track.

At about 8kph – the average bumper car's maximum speed – you couldn't do much more damage than spilling beer from your plastic cup all over your trackies.

So imagine if you could crank that be-chromed bastard up to over 160kays!

Well, dream no longer, race fans. Our old Pommy mate Colin Furze has done the deed with a beautly re-furbished 1960s vintage bumper car.

Col – who has set world speed records in stuff like prams and mobility scooters – dropped in an old 600cc motorbike donk, while keeping the chassis original, chrome and all.

He got Top Gear's Stig to do the actual record attempt for him at an airfield in Suffolk, England, and fuck us if the anonymous little cunt didn't crank it up to 161.47kph.

Which beats the old world record by about...153.47kph. **Picture**

Charlotte goes from Home Girl to Porn Star!

WE LOVE making new friends. It's even better when our new pal is a SCORCHING hot babe like Sydney-based escort Charlotte Star.

And it's even BETTERER when she points out that we've actually met before. Go figure!

"I was in Home Girls a few years ago, so it's actually not my first time in PICTURE," she cooed like a very sexy dove in our hairy ear.

"But I'm super excited about being back!"

Not, we reckon, as excited as we are. 'Cos we're fucken GIDDY. Now, a little

bird told us that lately you've been getting into PORN. Carn, giz the goss.

"Well, I was doing amateur porn and uploading it online by myself. I was getting millions of hits and then Aussie porn companies started approaching me. I love it! I'm up for just about anything!"

Geez, what with escorting and porn, you must REALLY love to root.

"I've just always loved sex. I wouldn't say I'm a full on nympho, but I'm pretty close. I like to have sex every day."

That's near enough to make no difference. Got any big crushes in the porn scene that ya wanna DO IT WIV?

"No, I'm up for doing it with anybody. I've always been interested in porn and making it as natural as possible. I think that's what people like about me."

That, and the fact you're cuter than a basket of bunny rabbits. But you really like to get down and dirty, huh?

"Yep. The one thing I say no to is anal. And the one thing I really want to do is someday have a gang bang!"

Crikey! We just swallowed some beer down the wrong way! So what would you say has been your hottest experience, sexually?

"It was only just recently, shooting porn. I did two different threesomes, back to back. I had so much fun!"

So you really ARE living the dream! And your fans can find you where?

"On my Twitter feed, @CharlotteStar5, or Google me."

ROBO-ROOTER

IF YOU can't find the perfect missus, build your own! That's the word from China, where engineer Zheng Jiajia has married his home-made robot girlfriend. Zheng, 31, is an artificial intelligence expert, and we suspect a bit of a nerd. He was getting frustrated with never cracking it for a root, so he put in some long hours out in the shed and came up with a custom job, which he named Yingying. The local rag reports that Zheng is still up-grading Yingying so she can walk unaided and do housework. Fuck that, Zheng – how about installing a pole-dancing chip in her!

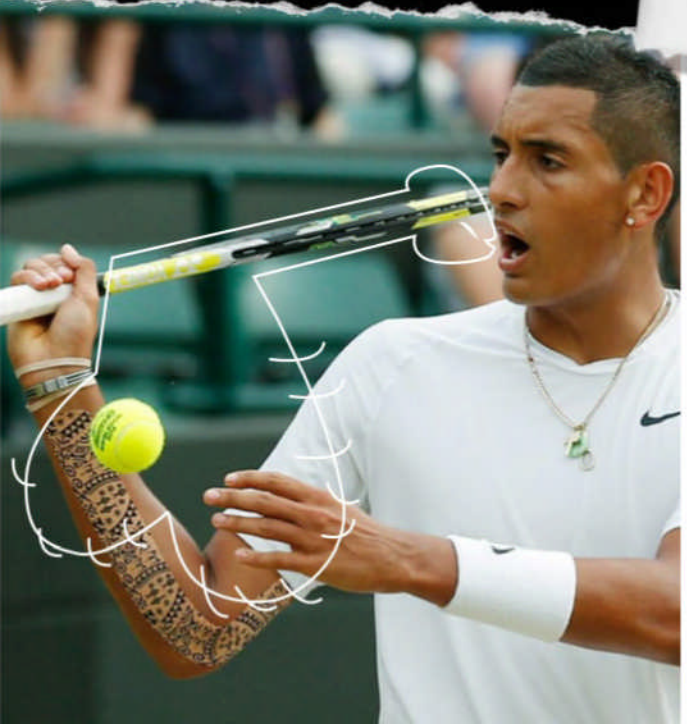
#292 WE DREW A COCK ON IT



PREPARE FOR TAKE-OFF!

ONE genius idea has earned the woman owner of a Vietnamese airline upwards of a BILLION BUCKS. Businesswoman Nyugen Thi Phuong Thao, founder of VietJet, had the brainy notion of getting the airline's squad of spunky stewardesses to dress up in bikinis and do sexy little dance shows in the aisles. So no big surprise when flights on VietJet became very popular indeed. That was back in 2011, and now VietJet is the country's second-biggest airline. The spunky hosties don't wear bikinis on all flights, but – they just bust 'em out for special occasions.

BIG BOY'S TOY

IT'S what we all dreamt of as kids – a life-size TONKA TRUCK. And a Mars Bar the size of semi-trailer, a plague that wiped out all school teachers and a quick look at the spunky lady next door's TITS. Well, for now we'll just have to be thankful for one dream coming true. The Toyota HiLux Tonka edition is a one-off put together by the designers and engineers at Toyota HQ in Melbourne, and it'll go on tour to 4WD shows and field days later in the year. Essentially it's just a HiLux SR5 with gutsier suspension and a fancy paint job, but if you had one you'd definitely be king of the sandpit. It could only bettter if the tray was filled with GIANT JELLYBEANS.

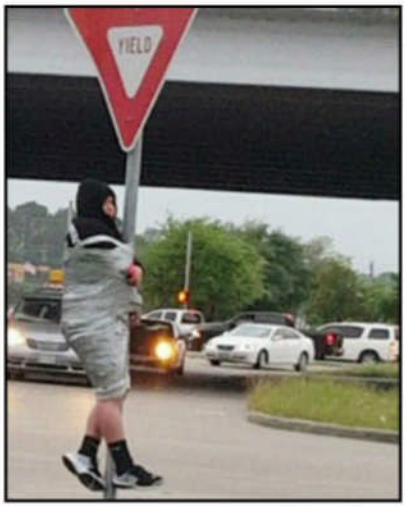
JAP-PEEN-ESE

THEY love a GIANT COCK in Japan. Every year our Pacific Rim pals stage the Kanamara Matsuri – the Festival of the Steel Phallus – to commemorate an ancient legend about a chick with a demon in her smoo that was biting off blokes' cocks. We've all been there, eh. In 1969 they revived the festival with a parade of massive dongs, and it's become a huge attraction for cock-lovers from all over the world.

I SCREAM!

BEWARE the beach chickens, for they will devour all. That's the message we're getting from this photo that's gone more viral than a dose of the clap. Some dumb chick in Santa Barbara, California, was taking a snap of her tasty snack when SHIT HAPPENED. "My ice cream just got swooped by a seagull and fell into the ocean," she blathered. Serves the silly bitch right. If more people just ate their fucken tucker instead of pissing about taking photos of it, the world would be a much better place. Frankly, we're on the seagull's side. They must get fucken sick of hot chips.

JUST HANGIN' AROUND



JUST remember – gamble responsibly, or you might end up like this guy in Houston, Texas. Miguel Chavez lost a bet with a mate over a basketball game between the Houston Rockets and the Golden State Warriors, and the forfeit was to be duct-taped to a street sign by the side of the highway for an hour. Funny thing was, when his mate came back to cut him down with a box-cutter, somebody called the cops 'cos they thought the guy was gunna carve poor Miguel up. So when the cops arrived they threatened to tase him. It was all sorted but, and the cops even gave Miguel a ride home.

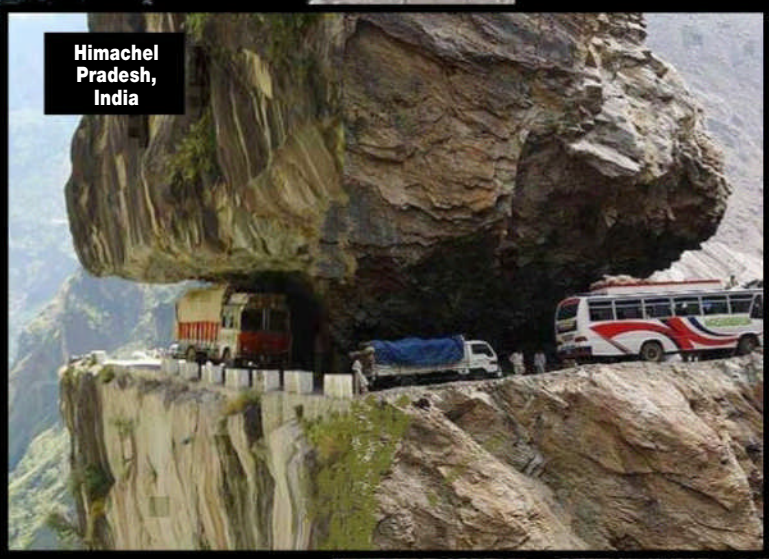
GUN IT, MATE!



GOING for a Sunday drive is tops – some tunes on the player, babe by your side, picnic basket, no wuckers.

But maybe not so much if you had to drive on these pants-shittingly scary roads.

'Cos it's hard singing along to Acca-Dacca when you might DIE at any second.

So your best bet might be to keep your eyes closed while you drive... Picture

TWOFER!

What's better than one spunk in the woods? Two spunks in the woods! And if they get lost, they can huddle together for warmth.

GOING BUSH!

Nature-lovin' spunks get nude in the scrub

WHO doesn't love a bit of nudey fun in the great outdoors?

Take some fresh air, sunshine, trees and... erm... MORE TREES, add a handful of HOT, NAKED SPUNKS, and you have a recipe for stonking great NATURE STIFFIES.

We reckon every national park in the country shoud be stocked with herds of nude hornbags.

It's only NATURAL! Picture

BIG GAME
Big tits love being unleashed in the bush. There they can roam free as nature intended, uncaged and UNBRA-ED. FREEDOM!

BACK IT UP

Of course, some bums are a little shy about going *au naturel*, so the idea is to expose them a bit at a time. They soon get used to it.

BREATHE!

Gwynneth knows there's nothing like some good country air to freshen up her smoo. So she gives it every chance to INHALE.

BE SEATED

No furniture? No worries! Jo doesn't mind. In fact she loves the way the long grass tickles her smoo when she sits down.

YEAH, BUT...

Jules looks like she's having a few doubts. "The outdoors are great," she seems to be saying, "but where's the cocktail bar?"

LOOKY!

Nude spunks could even act as guides, pointing out all the important natural wonders. Like their own tits 'n' smoos 'n' that.

KILL IT & GRILL IT!

Fisho plans barbie for 250 people with record-breaking Noah

SEPPO shark-wrangler Joey Polk planned to do a Jesus and FEED THE MULTITUDES with his latest world-beating catch.

The Florida fisho dragged the 3.3m, 365kg mako shark out of the Gulf of Mexico after an hour of wrestling the big bastard from the beach.

Joey usually tags and releases his big catches, but this one – a world record for a mako caught from land – was headed for the barbie.

"We release about 98 per cent of what we catch. We only bring in the ones too injured to swim away," said Joey.

Using the Polk family recipes, which involves secret herbs and spices, and possibly an ONION, Joey reckoned he was gunna chuck on a big feed for 250 of his friends and neighbours in his home-town of Milton.

His first problem, though, was getting the big fucker home in the back of his ute. ■ Picture

BLOOD HELL!

Most Mangled Athletes

FOOT LOOSE!

You're Joking

HANK and Peggy were in the shower together when they heard the doorbell.

Peggy wrapped herself in a towel and went to see who was at the door. It was Bill, Hank's best friend.

"Hi Peggy, is Hank in?" asked Bill.

"Sorry, he's unavailable at the moment," said Peggy.

"OK," replied Bill, but just as Peggy was closing the door he said: "I have $200 in my pocket – if you show me your tits, it's yours."

Peggy was offended by the proposal but she really needed the money, so she dropped her towel and gave Bill a good, look at her norks.

"They're great!" smiled Bill. "Listen, I have another $400 in the car. If you suck my cock, it's yours."

Peggy was shocked, but she was desperate for some cash, so she jumped into Bill's car and sucked him off until he came in her mouth. Then she grabbed the cash, ran upstairs and jumped back into the shower.

"Who was that at the door, honey?" asked Hank.

"Erm... it was Bill," said Peggy, feeling a little bit guilty.

"You should've told me," said Hank. "That bastard owes me $600!"

A LITTLE boy went up to his dad and said, "Daddy, where does poo come from?"

"Well, son," replied his old man. "Food enters the mouth and passes down the oesophagus to the stomach. There, digestive enzymes induce a probiotic reaction in the alimentary canal to extract protein before the waste products descend via the colon and rectum to emerge as poo."

"Fuck me sideways, Dad, that's bloody incredible!" gasped the young fella. "Where do Tigger and Eeyore come from then?"

AN OLD man walks into a bar and orders a beer. The bartender notices the guy's head is the size of a tennis ball.

"I have to ask, mate," says the bartender. "What happened with your head?"

The old guy sighs and tells him the story: "I was in the navy during the war. My ship was torpedoed and just as I was about to drown a mermaid rescued me and promised to grant me three wishes. For my first wish, I asked to return to Australia. My second wish was to have all the money I would ever need. Finally, my third wish was to have sex with her."

"That doesn't sound too bad," says the bartender. "Then what happened?"

"Well," sighs the man. "It turned out mermaids can't have sex, so I asked if she could give me a little head."

JOKE OF THE WEEK WINS $100

A CAPTAIN in the Foreign Legion is transferred to a fort in the middle of the desert. When he gets there, he sees a camel being washed and brushed and fed special food.

"Tell me, why does everyone care so much about that camel?" he asks the sergeant.

"Um, well, sir," stammers the sergeant. "With so many men confined to the camp for long periods without any women... erm... anyway, when in need, we use the camel."

"Well, that's pretty weird, but if it doesn't affect the morale of the men, I guess it's fine," replies the captain.

After six months at the fort, the captain begins to feel the need too.

"Sergeant," he calls out. "Bring that camel into my room!"

The sergeant does so, and the captain has sex with the camel. Next morning he tells the sergeant: "Now I know why the men are so fond of that camel! What a magnificent beast!"

"Did you also use it to go into town to visit the girls at the brothel, sir?"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

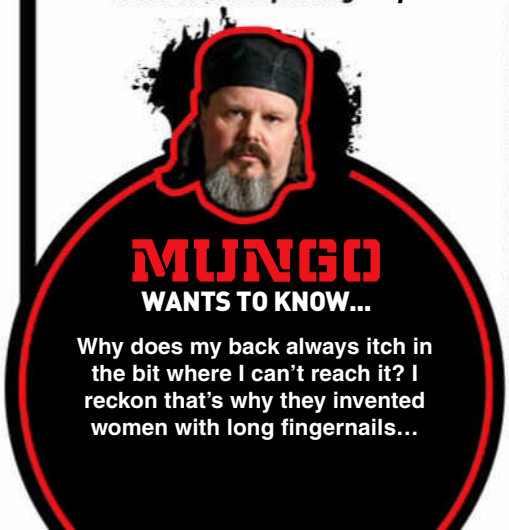
THERE'S ALWAYS ONE...

MUNGO, me brother's out looking for fuel for his wood-burning stove, so ya better PULL YA HEAD IN! HA HA HA HA HA!

G.M., MAROUBRA, NSW

MUNGO SAYS:
Thanks for that. Keep taking the pills.



LOVE ME FOOTY!

G'DAY Mungo. I fuckin love watching sports, but without a doubt the most batshit boring sport on the face of the planet is American grid iron – until I watched the LFL (Legends Football League), where hot chicks run around throwing a stupid shaped ball while wearing FUCK ALL.

This brings two questions to mind:

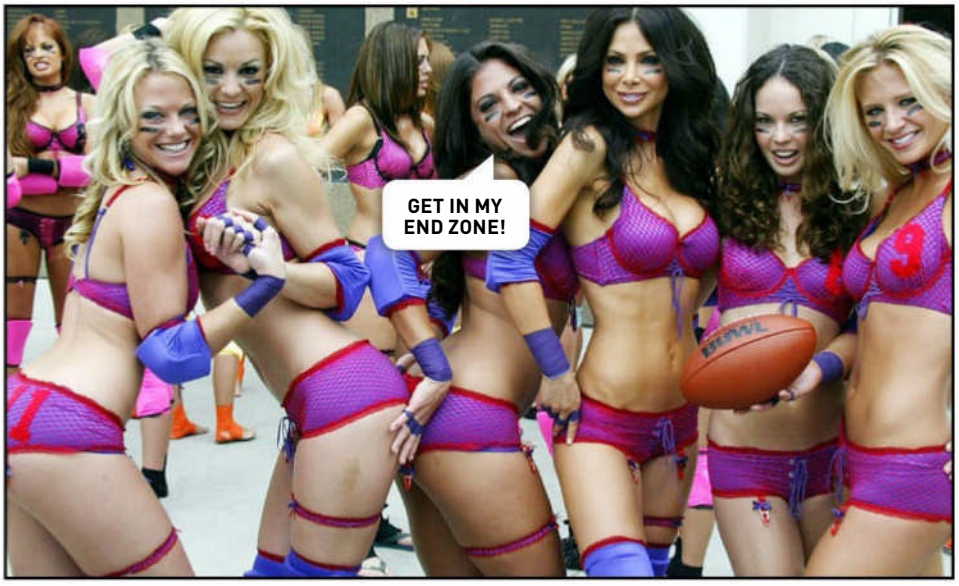
1. Why do pansy American MALE grid iron players wear all those pads?

2. When does Mungo convince some spunky LFL players to get their kit off for Australia's #1 titty magazine?

Look into this international fiasco for us, and get some of those champion chest puppies in the pages of THE PICTURE.

P.L., MILDURA, VIC

MUNGO SAYS: I'll do you a favour and won't tell any of those behemoth bone-crushers you called 'em pansies. The reason they wear all that padding is because if they didn't, they'd kill each other. They're fucken huge, they run 100m in near Olympic time, and when they smash into each other it's like two semis colliding. The chicks in the Legends Football League (previously known as the Lingerie Football League) go pretty hard, too. I wouldn't stand between them and a glass of chardonnay, if you know what I mean. Here's a taste...



NOW WAIT A MINUTE...

IN THE the latest edition, #1428, you used the same for two different Home Girls. What a disappointment that you lie to all your readers and deceive with the pics.

A.K., NO ADDRESS GIVEN

MUNGO SAYS: Hang on there, Sparky. Lie? Deceive? Dunno about that. Fuck up? Make a mess of things? Yeah, alright, we'll cop to that. What happened was that the photo of Elena from Adelaide was accidentally also dropped in with the write-up on Katie from Surry Hills. A simple error. No conspiracy. No lies. Sorry about that, but. The bloke responsible was given a cigarette, a blindfold and a bullet in the head, and we must say he took it like a man.

MAKES YA THINK, EH

MATE, I love ya work. You are 'the Man'. I like your dry but refreshing honesty. With that hat, you must be an old butcher. There's not too much I hate and a lot of things I don't like. Flies and mossies I hate. The 'don't likes' are too many to mention. I love the variety of females in the mag, and Trinity's work is spot on, much like your own. Mate what is wrong with this country? Why can't we just legalise everything except violence and theft? And what's up with all those mad pierced and grommeted freaks around the joint?

OUTBUSH, NO ADDRESS GIVEN

MUNGO SAYS: Thanks for the rap. And yeah, Trin's a good 'un, too. Mate, I can't answer all your deep and meaningful questions, except to say the world's a little bit nuts except for you and me. And I'm not too sure about you. Still, we just gotta get on with it, I s'pose. Good luck to ya.

BIG DEAL

THE worst TV show ever was *Big Brother*. Thank god we don't have to endure it any longer, watching people sitting around eating and doing nothing for days on end. And when it finally got interesting with the turkey slap incident, what did they do? Evict the guys responsible for making the show exciting! Well done, *Big Brother*!

GAZZA, GREEN POINT, NSW

MUNGO SAYS: Yep, that was some real stinky shit. It was like every year the producers of that show collected the lowest, dumbest, most killable knuckle-draggers they could find, rammed 'em into that shack on the Goldie, and having gone to all that trouble, they didn't even nuke the joint while they had the chance. That would've tidied up a few genetic dead-ends right there.

ROAST POM

DRAG racing is the art of fanging a fantastically over-powered shopping cart , traditionally a quarter of a mile – or 402 metres for you fancy metric cunts – down a race track as fast as can be reasonably managed without DYING, but with as much noise and flames and smoke as possible. A couple of chicks in arse-splitting hotpants jumping up and down waving flags doesn't do any harm either. It's all over in a few seconds, which is great for those of us with short attention spans. It's YOOOJ in the USA, and pretty fucken popular here, but we did not know it was also a big deal in the UK. We just always imagined all Poms drove rusty Morris 1100s with an asthmatic Corgi on the back seat. So it makes us VERY FUCKEN HUMBLE to see Pommy drag racer Bob Hawkins in his methanol-burning, blown and fuel-injected Chevy dragster by the name of Time Traveller cooking himself to a crisp on the blocks at Santa Pod Raceway in Northampton, Pomgolia. Nice one, Bob. Sorry we under-estimated your entire nation's driving ability. Hope your eyebrows grow back real quick.

"WHEN GIVING FOOT JOBS USE A NICE MASSAGE OIL"

Velvet Cream Imagery, iStock

NO MEAN FEET

HI TRIN, I've been dating this guy, Josh, for a few months now and he just revealed that he has a foot fetish. I think it's a bit weird, but am happy to play along. What are some sexy things I can do for him with my feet? And how do I give a ripper foot-job? Have you ever been with anyone turned on by clodhoppers?

H.B., KYEEMAGH, NSW

***TRINITY SAYS:* Yes babe, that's awesome! Glad to hear you're getting amongst it. Some key feet rules – always have beautiful pedicured toes, wear super sexy shoes, maybe add a cute toe ring and always rub and touch him with your feet. When giving foot jobs use a nice silicone based lube or massage oil. I love having my feet touched and if done correctly I can even come, too!**

TOY STORY

I JUST broke up with my missus and she left a bunch of sex-toys at my joint. Should I chuck 'em? Or can I just give them a wash and use 'em on the next chick I pull?

A.G., ORANGE, NSW

***TRINITY SAYS:* Hmm, up to you. If they're sanitized, then I say keep 'em and use 'em! Don't let something like that go to waste. If another girl doesn't mind using them, that's great!**

IN WITH TRIN

OI TRIN, I got a mate who reckons he banged you. His name is Gary, but we all call him Goober, and he says he met you in Perth a few years ago at some club and took you back to his place and you two did coke and had wild sex all night. Do you remember getting loaded and banging a guy called Goober? Or is he a liar?

D.T., APPILA, SA

***TRINITY SAYS:* Ha, I hear these stories all time. Bless them for using me in their fantasies. It's flattering, but sorry, I have no fucking idea who this bloke Goober is. What kind of a name is that anyway!?**

PRIME POSSIE

MY WIFE and I gave a new sex possie a crack and absolutely loved it and wanna share it with everyone. It's called 'The Amazon' and it involves the guy on his back with his legs pulled towards his chest and the chick squatting on his dick, so

she's the one doing the thrusting – it's our new fave! What's the craziest sex position you've ever tried, Trin?

G.N., ARGYLL, QLD

TRINITY SAYS: ***Oh God, none of them are crazy to me anymore. It's all part of the awesome experience. Though the superman (if the guy is fit enough to perform it) is quite impressive. It's where the bloke is standing up with the girl wrapped around his waist (reverse), while his arms are holding her torso up (almost like doggie but she's not touching the ground) and his arms are stretched out like superman flying – awesome!***

AUTO-EROTICA

G'DAY Trin, I used to fucken drown in pussy when I drove my old Holden Monaro and when that kicked the bucket I went and bought a VW Golf. But since getting the Golf my sex-life has gone down the shitter! Would chicks not root a bloke 'cos of the car he drives? Is there a make of car that you'd never root the owner of?

B.K., ROWVILLE, VIC

TRINITY SAYS: ***Shallow bitches go for guys with status; either heaps of money, a nice car, job, house etc. I'm not one of those bitches so I couldn't give a flying fuck what you did or didn't drive. I like the person not the objects they own.***

PORK PARTY

I GOT invited to a sex party and it was the weirdest thing I've ever done. There was just a bunch of old people standing around eating party pies in the lounge room with a porno on the TV, and they'd occasionally walk off into the bedroom and fuck each other. Did I just go to a really shit orgy? Have you been to a good one before?

R.G., VIA EMAIL

TRINITY SAYS: ***Yeah, that sounds boring and gross. I've been to way better ones; parties in fancy locations with loads of sexy young people playing all sorts of fun and hot sex games, with performers coming in and doing toy shows etc. Where the hell did you find your party!?***

TRINITY'S SEX TIP

Practice, practice, practice! Bum sex, blow jobs, fisting, squirting, kissing, domming, subbing, whipping, dirty talking – ladies, if at first you don't succeed then try and try again. Just like the rest of your day-to-day life, practice makes perfect. You'll never be a pro the first time you try anything. So keep going and you'll find that with every attempt you'll get better and better at whatever you're trying to do.

BUSTED!

I CAUGHT my man fucking this slag the other day in our own home! I told him to pack up his shit and fuck off! This is the third time he's cheated on me. Have you ever cheated or been cheated on Trin? What's some good revenge I can do to him? I might hide some dead fish in his car…

PAULINA, VIA EMAIL

TRINITY SAYS: ***What do you expect, love? You let him get away with it not once, but twice, before the third time. So really you deserved it for being dumb enough to keep taking him back. Do yourself a favour and just let him go and move on with your life. No, I don't cheat on people and yes, I was cheated on once in high school.***

MILKED DRY

MY WIFE read somewhere that semen is good for her digestive system so now she wants my spunk all the time to mix into her protein shakes. At first it was awesome 'cos she jacked me off every morning, but now it feels so clinical, like I'm a cow in a production line being used just for its milk. I don't wanna say anything though in case she stops doing it all together. Is jizz even good for you?

C.K., CLONTARF, NSW

TRINITY SAYS: ***I think your wife is going a little extreme. My motto is if you aren't enjoying it, then stop doing it. I've heard all sorts; that it's good for your skin, high in protein, blah blah blah! At the end of the day it definitely ain't bad for you, but there's no reason to be milked every day.***

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

Get up ya SOOK!

WHO:
Aussie bloke Jayden Provost

WHERE:
Northern Territory

WHAT:
Shot a crossbow bolt through his foot

OUCH FACTOR

77%

Just a bit worse than stubbing your toe, really.

SLAUGHTERING feral critters with a crossbow is just about the most fun you can have with your clothes on, but it can go wrong.

Ask Jayden Provost. While working on a cattle property in NT, he was tooling around in the scrub west of Katherine looking for a target when he had a little stumble and, waddya know, his crossbow discharged, pinning his right foot to the ground.

And what's worse, it put a nasty hole in his THONG.

Wouldn't that just PISS YOU OFF?

So Jayden UNBOLTED himself from the ground, HOPPED back to the homestead and attempted to pull the bastard out. That didn't work out real well, actually.

"It didn't budge at all," he reckons. "There was not a drop of blood and believe it or not, it didn't really hurt too badly – it was just throbbing a lot and felt really tight."

A co-worker called Jayden a silly prick then drove him the 90 minute trip to hossie, where the docs pulled the bolt out

"The doctor told me I was lucky that I didn't break any bones. I got told it would take a few months before I could walk on it again but two weeks later I was up and going again and made a full recovery."

That was a while back, so it's a bit late to tell him to: "GET UP YA SOOK."

So we'll just have to go with: "STOP SHOOTING YASELF IN THE FOOT WITH CROSSBOWS YA IDJIT!" Yeah, that oughta do it. ■ Picture

"I LIKE THINKING OF ALL THE GUYS WATCHING ME"

SHE'S in training to be a veterinarian, so it's no surprise Seppo porn star Kenna James enjoys fucking like a buck-wild animal.

But enjoy it while ya can, readers, as the 21-year-old, who's only ever done lesbo stuff, reckons that she'll soon be rescuing pussies instead of LICKING them.

"I'm saving up money for college so I can get a degree in veterinary medicine," says the smoo-loving cutie. "But doing porn is fun, too!"

It definitely looks like you're enjoying yourself. What's the best thing about on-screen rooting?

"I like thinking of all the guys out there watching me. I love when I can just lose myself in the moment, that's when fucking is simply fantastic!"

And how do you like your fucking to be?

"Messy and intense. If you lick my butthole, I'll lick yours. And if you finger me just right, I squirt!"

Oh, we know, we've seen your

2015 flick* Feeling Sexy. *Are you on an exclusive VAGITARIAN diet?

"I'm bi. Girls are for fun and guys are for marrying – someday in the future, not right now."

What do you look for in a potential fella?

"He's funny, smart, a good person and he listens to me. Oh, and he has pretty eyes!"

And what about the birds – why do you like GROWLING AT THE BADGER?

"I've always liked girls. My favourite part of doing girl-girl scenes is when there's a big connection between us. We just click, the sparks fly and suddenly there's no lights, no camera and no crew. The first time that happened was with Mia Malkova and we've been great friends ever since."

What's the biggest turn-on for you?

"Well, kissing always gets me wet. And my favourite position at the moment is sixty-nine. And want to know my perfect date?"

Goonbag and a 20 pack of Mcnuggets in the carpark?

"Loading up our backpacks with food and books, hiking to the top of a mountain, spreading a blanket out and lazing around in the sun all day eating, reading and kissing."

Sorry, we missed that last bit. We were too busy looking at your beaut bod. Picture

BED ZEPPELINS!

Belle and her bazongas are ready to take over

BELLE has been stripping for blokes for a couple years now, but this is the first time she's done it for an ENTIRE COUNTRY to perve on.

The YOOJ NORKED 25-year-old decided to give nude modelling a crack after a punter at her local strip joint told her she was hotter than famous big-titted model Emily Ratajkowski.

"Emily is so beautiful!" gushes the cock-stiffening Sydneysider. "But I think my boobs are just as good as hers."

We reckon so, too, Belle. How big are they?

"They're a 32H – which is very big!"

Do fellas love a play with them?

"Of course, even I love to play with them! Whenever a guy gets a private dance with me, he always pays extra so he can touch them. Can you imagine getting a lap dance and not being able to touch them?"

We're imagining more than a lap-dance, but we know what you mean. Are they sensitive?

"Not really. I think that's good though as it means guys can give them a good pinch or even a nibble without it hurting me. I know some girls don't even like

Made in Oz Girl

having their nipples touched."

And are they the fave place for blokes to shoot their TADDIES?

"Definitely. And I don't mind, as long as it doesn't get on my face. I've had sperm in my eye before and it really stung, so I don't want a repeat of that."

Well they're definitely a big enough target. What's the best thing about being a stripper?

"It's fun and I love the lifestyle, but the absolute best thing would, of course, be the money! If you're good at what you do, you can make so much. And that doesn't always mean being the hottest; you just have to have a good attitude and friendly with customers."

Do blokes ever take it the wrong way and try slip their end in?

"Of course and I don't mind, it means I'm doing my job well. But I don't date anyone I meet at a club while working."

Who do you date then?

"I love tradies or any guy that does manual labour all day. I like a guy who has rough, coarse hands from working with tools and stuff. Being manly is so sexy."

'Scuse us, just gunna go hammer in some nails. Picture

My Public Fuck

TOO HOT TO HANDEL

ONE year my girlfriend talked me into going to this big free classical music concert in the park. It was one of those deals where it was all oldsters dressed up nice and sipping champagne, so as soon as we got there I was thinking, "Gotta get pissed, gotta get pissed."

Luckily I'd brought a well-stocked Esky, so I was sitting there in my Angels T-shirt hooking into the cans while the orchestra was playing tunes by some cunt who's been dead for 400 years. Gimme a break.

It didn't take long before I was rolling, and my girlfriend, who'd been knocking back the vino, was pretty hammered as well. Not only were we pissed, we were bored and horny.

One thing lead to another and I started fingering her. She just spread her legs to make it easier, and I knew she was turned on 'cos I could feel my fingers getting soaked.

Now my girl doesn't give a shit – when she wants a root, she wants a root, so she started stroking my cock through my jeans, then unzipped me, pulled it out and started sucking me off. The people around us were giving us the evil eye, but she didn't care. She pulled the blanket over us and wriggled her jeans down so she could work my stiffy into her smoo.

As soon as my knob parted her flaps she started pumping her hips back and forth, and around us people are going "Call security!" Like they're gunna have bouncers at a classical concert.

Well, like she always does, she got carried away, the blanket went flying and she started riding me like a champion. This big space opened up around us as people moved away.

Turned out they did have security – a little old bloke who came over and told us we'd have to leave. So we fucked off down the other end of the park and finished our root by the duck pond.

SCORE!

OUR footy club awards night is always a big occasion, and my missus Jules and I got all dressed up to go along. I actually bunged on a suit, and she was looking a million dollars in this dress that was split down the front to her navel and showed off her amazing melons to perfection. I was practically slobbering over her before we even got there.

I picked up a couple of gongs for best and fairest and club player of the year, so I was over the moon. I was sitting there half-pissed and having a great time when Jules, being the horny little minx she is, started stroking my cock under the table.

Then she leaned over, licked my ear and whispered, "It's about time I gave you your special prize for being best fuck of the year." Boing! My dick shot up like a rocket and I started looking around for where we could do the deed.

Then I had a great idea, so we snuck out of the clubhouse onto the field, which was in total darkness, so I could have my celebratory fuck where I'd had so many big moments through the season.

I led her out to the centre of the halfway line and we quickly got down to it, me with my dacks around my ankles and Jules whipping her sexy lace G-banger off and pulling her dress up to her waist.

I was really giving it to her, sliding my cock in and out of her hot, wet cunt, and Jules had her long legs wrapped around my waist. Just as I picked up the pace to deliver my load of splooge, the floodlights went on and we were stuck out there like bunnies in the headlights. A big cheer went up from around the clubhouse, so I gave everyone a wave, shot my bolt, and we got ourselves together and went back inside for another drink.

COCK 'N' ROLL

I'VE always had the hots for guys in bands. You could call me a groupie, I suppose, but it wasn't about fame or anything. I just wanted to get laid by hot guys, and there always seemed to be at least one in every band I ever went to see that I wanted to fuck.

The most outrageous stunt I ever pulled was one time at this bike show, with bands playing on and off through the day. I'd been downing a few bourbons and feeling kind of randy when I spotted this lead singer who had me drooling from the smoo in seconds.

He noticed me dancing at the front of the stage with my firm C-cup titties bouncing out of my push-up bra, and started paying me heaps of attention, waving his big bulge right in my face. So naturally I reached up and gave give it a stroke. He was a bit surprised, but then he reached his arm out, grabbed me by the hand and yanked me up on stage.

So there I was, dancing on stage, with this hot rock hunk wrapping his arms around me from behind and humping my arse. I was wearing these little shorts with no panties, so I thought "Fuck it, why not?" and slowly unzipped them and lowered them to my ankles. Then I reached around, unzipped his meaty cock and started rubbing it on my creamy slit.

The crowd was cheering us on by this stage, so he had no choice but to slide his cock into me and fuck me in time with the music. The only security were the bike club guys, and they were loving it, so he just fucked me there on stage in front of a few hundred people, including the group of friends I'd come with. They said it was the best gig they'd ever been to.

GO HARD! GO HOMIES!

This week...

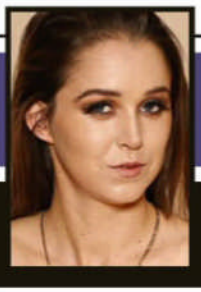
BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"She preferred her double-ended dildo"

IVY
BROADBEACH, QLD

"I've recently become interested in pegging," says 23-year-old Ivy. "I have watched a few videos and I think it would be hot as fuck. I'm yet to try it, but it's definitely next on the bucket list." ***Have you bought yourself a strap on yet?*** "I do own one, but I'm worried it would be too big: I'm looking for someone who hasn't tried it before." ***Erm, how big?*** "It's a girthy 10-and-a-half inches." ***Girthy, huh? Gulp. Have you tried it with a girl?*** "I have. She was so wet that it just slipped straight in." ***Did she get to bend you over after and put it to good use on you?*** "She did, but she preferred her double-ended dildo." ***All parties satisified at once - makes sense to us.***

HAVE YOU EVER USED A BUTT PLUG? "I have used a butt plug and it was awesome, but anal is always much better."



TONI
JOONDANNA, WA

Perfectly posteriored Sandgroper Toni, 28, knows she's been blessed from behind. "My bum is my best asset. It gets lots of attention; just last week I was asked if it was implants or did I spend a lot of time doing squats."

What happens to this beaut butt in the bedroom? "I definitely love a good spanking. And I don't mind anal; it is growing on me." ***What other positions work for you?*** "Doggy style is definitely up there. It hits the right spots and gives a great view. I have just got a giant mirror in my bedroom, so I am keen to check out the view and have a bit of fun with that." ***We wouldn't mind checking out that view either. What positions work best in front of a mirror?*** "Either cowgirl or reverse cowgirl."

HAVE YOU EVER USED A BUTT PLUG? "To be honest, I have never used one, but it is on the to-do list."

"I used to send nude pics to an old boyfriend"

STELLA
MANSFIELD, QLD

Just as Neil Armstrong gazed, for the first time in human history, at the surface of the moon, readers should reserve the same awe for these photos of 21-year-old mum Stella, for it is the first time her naked form has appeared in the public realm.
"I posed and sent these in to gain some self-confidence back after having a baby."
Are there any other nude pics out there?
"I used to send some to an old boyfriend back in high school." ***Are there any videos of you in action?*** "Not that I know of. Maybe that can be my next adventure: a video." ***Be sure to send us a copy for our professional appraisal.*** "Ha ha: will do."

HAVE YOU EVER USED A BUTT PLUG?

"I'm keen to try. It's something I've never done before, so it'd be a bit of a thrill."

"Posing nude is a good booster"

EMMA
SANDGATE, QLD

Nineteen-year-old check-out chick Emma is stoked about what you are poring over. "Taking these photos was a good experience. They made me feel comfortable and good about myself.

Posing nude is a good booster; seeing how good you can look. It's the first time I've done it." ***Where else do you get your sexy body out?*** "Once I got dressed up nice and sexy while my partner was at band rehearsal, so when he got back I was waiting pretty and it set the mood. We used ice cream and such." ***What else fills your time?*** "I play keyboard and I like to write stories. Hopefully I'll write a future screenplay." ***Make sure you put plenty of nudity in it; now you've seen its life-affirming powers.***

HAVE YOU EVER USED A BUTT PLUG? "Yes I have. And it was good fun."

ISSUE 1424

AYALA
OCEAN SHORES, NSW

$30 ASK THE HOMIES

When I went to France a little while ago, I thought all the women there were fucken awesome. And you are no exception Ayala. Do you miss France? And do you think you'll stay in Australia?
SNAKE, MOSS VALE NSW

AYLA SAYS: I miss the food and obviously the wine. But I really want to stay in Australia. I went back to see my family and it was like a black-and-white movie; everything was grey. I realised it was not the life for me. I love Australia so much.

BISOU
KENT TOWN, SA

$30 ASK THE HOMIES

Have you managed to get to a swingers' party yet? We'd love the chance to go to one but there's not much chance of one of them out here. Hope you pose again, too.
DENNIS AND SHARON, ALICE SPRINGS NT

BISOU SAYS: Yes, I have been. It was like a nude club party that had been organised by a friend of mine. I can remember making out with two girls and three guys. And yes, Dennis and Sharon, I will pose nude again, for sure.

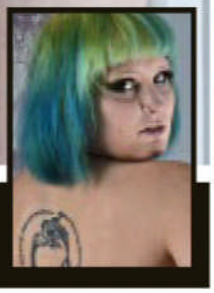
"If I get to bring out my whips, I know it will be a great shoot"

LILY
COOPERS PLAINS, QLD

"I am in middle management at a well-known insurance company," confesses 26-year-old Lily. "My co-workers would never guess I do porn and BDSM. It really is the quiet ones." ***So you keep your clothes-free antics secret from everyone?*** "None of my colleagues know, but pretty much all of my friends know. It's a double life, like Spiderman, but instead of beating up supervillains I do porn." ***What sort of porn?*** "It's mostly kink. Fetishes can be great fun. I love the costumes and if I get to bring out my whips, I know it will be a great shoot."

HAVE YOU EVER USED A BUTT PLUG? "I have: on myself and other people. The first time was scary, but I've learned to love the feeling. The key is lots of lube and stretching really slow. Once you're slippery and relaxed, it feels amazing."

"I used to be a lingerie waitress"



KITTY
ROCKINGHAM, WA

"I like dressing up, other girls that dress up, then both of those things dressing down," says costume shop worker Kitty, 24. ***What happens when these clothes come off?*** "I tend to get bored quite quickly, so when I'm having sex with someone, I want them to be open to experimenting. I have a cute bondage kit, so after a few weeks I will try to introduce people to my little kit and hope that they are open to it." ***Do you like getting a reaction?*** "I used to be a lingerie waitress and I'm obviously a nude model and I love bringing it up when I can. It makes me feel sexy." ***You'd have to try pretty hard not to be sexy!*** **HAVE YOU EVER USED A BUTT PLUG?** "It is the most recent new thing I have tried – putting one in during sex. It was good, but weird. I have yet to decide if I will try it again."

$400 HOMIES WHO LOVE HOMIES

MISS INKED CHAOS & STORM

PERTH, WA

"Skating has always been my life," says spunky 22-year-old board rider Storm. "I've been skating since I was four and never stopped." Luckily for us she found someone who shares her love of the board, and her aversion to wearing clothes, 25-year-old Miss Inked Chaos. **Miss Inked Chaos:** "I love the ride; cruising with mates along the coast and being able to hold a beer in one hand and something else in the other." ***Like Storm, maybe.*** **Miss Inked Chaos:** "Oh my god, her eyes." ***Is skating naked more fun?*** **Miss Inked Chaos:** "You can imagine the breeze on your body, but you would not want to come off." **Storm:** "'No pain, no gain,' I always say." ***And there's no pain like gravel rash on your bare butt!***

HAVE YOU EVER USED A BUTT PLUG?

Storm: "No."

Miss Inked Chaos: "No, I couldn't say that I have."

YASMIN

BRISBANE, QLD

This 22-year-old life model has no problems what-so-fucken-ever with getting nude in public. "I'm a life model and I'm used to having people look at me," she told us. "Doing these photos was no hassle at all." ***Ever done THE DEED in a public place?*** "Yes, just yesterday! I was sunbaking topless at a public beach and one thing led to another and I was having sex. I'd go mental if I wasn't getting it every day." ***What's your preferred possie?*** "Doggy style, because it can get really rough. Nothing beats a good, hard bang that way!" ***What about flicking the bean?*** "No, the hand just doesn't cut it." ***Unless you have a KNIFE for a hand, in which case… sorry. We'll shut up now.***

ASTRID

ADELAIDE, SA

Awesome Astrid was IN THE FUCKEN SHOWER when we rudely interrupted her mid-scrub. "I've got you on loud speaker, so ask me what you want," she instructed. ***ARE YOU SHACKING UP WITH ANYONE?*** "No, I've been single for a while. I'm holding back on sex and it's making me so sexually frustrated!" ***Sorry for yelling that last question. Didn't know if you could hear us. How much sex is good for ya?*** "If I'm with a guy I sometimes do it six times a day. At least I've got toys and stuff to keep me happy, though they're not as good as the real thing." ***What possie do you miss most?*** "Doggy style. It feels great and guys love it because I'm so tight." ***Thanks for COMING CLEAN with us.***

DELILAH

PERTH, WA

"I enjoy performing," says 21-year-old Delilah. ***Amateur Gilbert and Sullivan performances?*** "Online cam shows. I start off with a strip tease, letting clients watch as I take off my lingerie. Next is my nude show, where clients watch and ask me to perform certain requests. My biggest seller is the masturbation shows, where clients request what I pleasure myself with and what hole gets pleasured." ***Only solo shows?*** "I performed a masturbation show with a girl, pleasuring each other with different toys, and I did a BDSM show with a guy." ***That's pretty sexy.*** "One sexy thing I've done is have a threesome with my old boss and a work colleague." **HAVE YOU EVER USED A BUTT PLUG?** "I invested in a fox tail butt plug and I it's the best thing ever. Using it was like opening a whole new door of pleasure."

STARLETT
ADELAIDE, SA

"I like my boob size," says 25-year-old Starlett. "They are proportionate to my body." ***Are they getting lots of bedroom attention lately?*** "I haven't had any sex recently." ***That is a tragic waste.*** "I broke up with my boyfriend a month ago." ***Well, that gives us all hope.*** "I've considered fixing my sex machine and using that instead. I just have to time it when my flatmate is not at home." ***Other than James Brown's ideal subject matter, what is a sex machine?*** "It is called an inflatable love lounger. It has detachable mechanical dildos and vibrators. However, I broke it the first time I used it, as it slows down the deeper you push it." ***Oh dear.*** "Yeah, I broke it from wanting it deep and fast." **HAVE YOU EVER USED A BUTT PLUG?** "No. May vag is tight enough."

"I haven't had any sex recently"

$200 TOP TITS

"We've been trying new things in the bedroom"

$400 HOMIE OF THE WEEK

JULY
SUBIACO, WA

Unlike the month that goes by the same name, July is smoking hot. "My favourite thing about myself is my spontaneity!" blurts the cute 19-year-old. ***Does that mean you enjoy spontaneous roots?*** "That's my favourite sex. If it's pre-planned it takes all the fun out of it." ***Do you have a PORKING PARTNER at the moment.*** "I have a boyfriend and he's so incredible and we have the best sex-life. We've been trying so many new things in the bedroom." ***Give us an example.*** "We got this toy that's a remote control vibrating egg. I put it inside me and he can click a button and make it vibrate at different speeds, giving me little orgasms whenever he wants." ***Bet that's fun at family dinners.*** "We did it one night out with friends. It was fun to start, but the drunker he got the more he clicked and eventually I just couldn't handle it anymore and had to go take it out."

HAVE YOU EVER USED A BUTT PLUG? "Yep, only once."

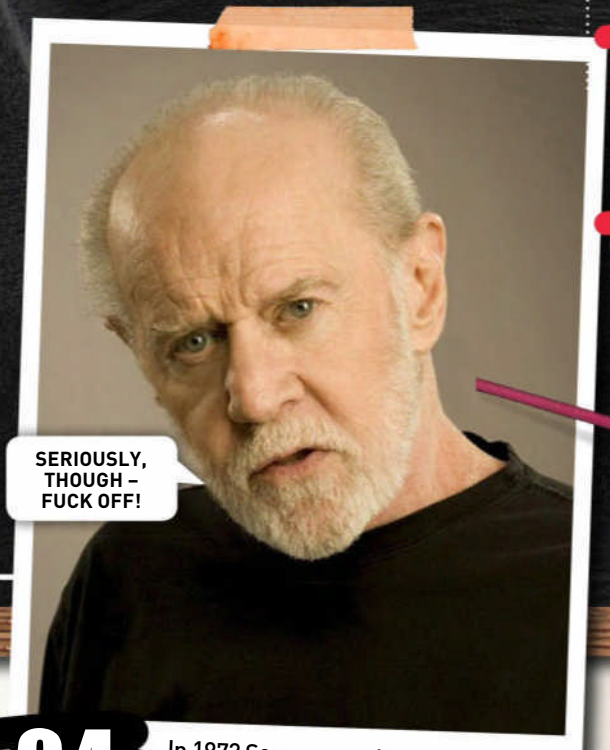
GO FACT YOURSELF!

SWEARING

01. The word rooster was invented in the 18th century 'cos by then the original word for a bloke chicken – 'cock' – had also become slang for 'dick'.

02. According to *Holy Sh*t: A Brief History of Swearing*, by language expert Melissa Mohr, the average kid knows at least one swear by the age of two. The dirty little fuckers!

03. A study by Pommy psychology professor Dr Richard Stephens found that a good swear actually relieves pain. Which is why it makes good sense to call the hammer a fucken cocksucking cunt when you hit your thumb.



04. In 1972 Seppo comedian George Carlin came up with the definitive list of seven words you couldn't say on television in the US. They were: shit, piss, fuck, cunt, cocksucker, motherfucker and tits.

05. People who swear obsessively are said to suffer from coprolalia. Or maybe they're just really angry.

06. 'Cunt' used to be a perfectly acceptable English word for a chick's gyno bits up until the late 16th century, when it got a bit naughty.

07. According to the Guinness World Records website, the movie that uses that word 'fuck' the most is the 2014 Canadian comedy *Swearnet*, with 935. *Wolf of Wall Street* comes a distant second, with a piss-weak 569.

08. That collection of symbols they use in soft-cock publications to replace swear words – as in '#$%@*' – is called a grawlix.

09. Years ago, THE PICTURE started using 'fucken' instead of 'fucking' or 'fuckin'' because it's easier and we're fucken lazy cunts. So fuck ya.

Set your sights on this exclusive edition

Ned Kelly died as he lived: unafraid and unyielding. Was he the victim of an unjust society or a rebel bent on revenge? The truth lies blurred in the passage of time. But one fact is certain: his story is a defining moment in our history, now recalled for you, chapter by thrilling chapter, on a dramatic sculptural edition that looms as large as the legend of Ned Kelly himself!

This leather-look replica rifle sheath is hand-crafted to bring every authentic detail to life. Emblazoned across its massive 91cm length, the haunting art of Michael Wilkin sweeps you back to colonial days to witness Kelly's rebellion, his infamous last stand and its devastating conclusion. The wood-tone rifle stock bears the last words Kelly ever spoke: *'Such is life,'* as a fitting epitaph to one who knew no fear. A handsome medallion wall hanger showcasing Kelly's iconic helmet and a leather-look strap completes the edition.
